

PE and Sports Funding 2016-2017

Vision					
Mossbourne Riverside Academy believes that physical education is an essential part of a child's educational development. We aim to develop a balanced program offering a variety of activities to enhance skills in PE. Positive participation in PE will enable all pupils to build self-esteem, team work and positive attitudes to all of their learning. We believe in developing the whole child both academically and physically and aspire to all children excelling both in the classroom and on the playing fields. We believe that children are able to perform better in class if they get plenty of exercise and keep physically fit.					
Funding 2016-17	£8,126	Total received at review	£4,740	Date of review	08.03.17
Action Plan					
Provision	Action	Success Criteria/Impact	Cost		
Enrichment Clubs	Football	Pupils across EYFS and KS1 have had access to a range of sports which are in addition to the PE lesson. The demand for these has increased term on term. With one Sports club running in Spring and Autumn to three in Summer. Feedback from Parents has been positive. By hosting sports such as Netball, we have seen talent develop in very young children and enthusiasm and love for a sport they would not normally have access to. Staff have enjoyed the CPD and have made community links with organisations such as the Tennis and Squash Club and the FA.	£1,365		
	Ballet		£900		
	Tennis		£232.64		
Lunchtime Clubs	Netball		£348.48		
	Football		£348.48		
Playground Equipment	Provide pupils with a range of equipment for a range of sports	To motivate participation in range of sports, making equipment available to all who may not otherwise get access. To encourage pupils to be active during 'free time'.	£236.16		
Tennis Coaching	Court Rental	Rental of courts at the Lea Valley Tennis Centre on Queen Elizabeth Olympic Park. Coach hired for a taster session to 'hook' children to the sport.	£100		
	Coach Hire				
Swimming	EYFS, Year 1 and 2 access lessons	To ensure all pupils have access to swimming lessons and that they learn to swim before Year 2. To inspire pupils to use the Olympic facilities in their own time with family.	£700		

Daily Mile	Local Event participation and Daily delivery	Daily running improves focus and concentration in the class, 100% inclusive, helps maintain healthy weight. Supports healthy bone and muscle development, and improves children's resilience and cardio-metabolic health.	
			Total at time of review: 08.03.17 £8,981

Sports Collaborations	
London Aquatics Centre	Pupils are able to use the Olympic Pool from Reception. Courses are booked, taster sessions or week long courses are used depending on age group.
Lee Valley Tennis	These courts are used and Coaches hired so that pupils can have access to Olympic resources so that they can develop a passion for a sport.
Royal London Ballet	A tutor works with pupil's afterschool to develop dance skills and to share a passion for dance. We encourage both boys and girls to take part in this.
Additional Comments	
MRA was awarded the Bronze award for Healthy Schools and is working towards Silver. MRA promotes physical exercise on arrival to school by awarding children who walk, run, scoot or cycle. A Bikers Breakfast was arranged to help people keep their bikes in working order. The Daily Mile is run in Year 1 and Year 2, all pupils run for 15 minutes a day and try to achieve the mile target.
